DC Jones,

As you know, this case has entailed extensive discovery. We've been going through a number of records at CFD IIS, but the plaintiff wants to inspect the records at Rescue 1 and 2. Frankly, I don't know where these records are kept. Please see the attached correspondence from plaintiff's counsel detailing what records she is looking for.

I would like to be as cooperative as possible because I am getting ready to file a motion for summary judgment and I don't want them to be able to argue that we did not give them everything.

I apologize for the inconvenience. If you need anything else from me so that we can respond to this letter, please let me know.

Thanks,
Pete
